The charges you may need to pay
in connection with your mortgage

Tariff of Mortgage Charges

RBS is closely involved in the mortgage industry's initiative with Which? to make our fees and charges easy for you to understand. Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

These are the fees and charges you may have to pay before we transfer your mortgage funds.

Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	Cost will be dependent on your solicitor.
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Cost will be detailed in your product offer.
